TAYLOR CANNERY OPENS SEASON. 60 EMPLOYEES ARE BUSY

Campaign of Four Months
Starts In Enlarged and
Remodeled Factory

Opening the season in its enlarged and remodeled cannery plant, the Taylor cannery today started on its four months canning campaign with sixty employees busy as bees in preserving currants. During July, August and September the cannery will employ 150 people continuously, with 140 of the employees being women and girls, earning an average daily wage of from \$1.50 to \$2.50 per day.

J. E. Taylor and Company have spent \$20,000 in the enlarging and remodeling their plant and erecting an other store house since last season. The enlargement doubles the capacity of the pickling department of the big enterprise. The firm will pay out thousands of dollars to the women and girls of this city in the next four months, every cent of which will go into commercial channels and add to the general prosperity now so evident in this city.

John Taylor, of the company, left here this week for the east on business pertaining to the cannery. The firm no longer canvasses for orders in advance of the canning and packing season. It has secured an enviable reputation in the east and orders now come to it without solicitation.

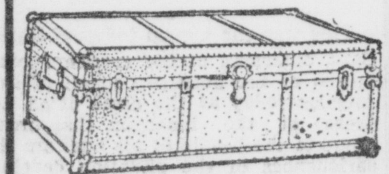

Between twenty-five and thirty carloads of the very choicest of preserved and canned fruits will be put up during the season to meet the demand for products of the plant.

While the start of operations of the enterprise which will add materially to the distribution of wealth in this vicinity is on currants, secured in the northern part of the state, other fruits will be taken up as they ripen and become available to the cannery. Most of the apricots will come from the Hemet section. Peaches have been contracted for in the San Joaquin valley, cherries at San Jose and Santa Clara, and pears in the Sacramento river section.

THE EVILS OF CONSTIPATION
Constipation is one of the main reasons why the average human life is below 40 years. Leaving waste material in the body poisons the system and blood and makes us liable to sick headaches, biliousness, nervousness and muddy skin. When you note these symptoms, try Dr. King's New Life Pills. They give prompt relief, are mild, non-gripping in action, and tone to your system and clear the complexion. At your druggist's, 25c.

NEWPORT BEACH

BEACH CANNERY PROJECT GIVEN NEW IMPETUS

Permit Granted Promoters to
Build Platform For Load-
ing Shipments

NEWPORT BEACH, June 20.—Further details and plans relating to the establishment of a cannery factory at Newport Beach were discussed here last night at a special meeting of the board of trustees, Messrs. Wilson, Tweedle and McCarty representing the cannery interests being present at the meeting.

Permits were granted by the board for the use of a portion of Newport avenue and Twenty-fourth street for the building of a platform to be used in connection with loading the product of the cannery for shipment. The people of this city are taking a deep interest in the project as it means a home market for the fishing industry and will be an incentive to the rapid development of Newport harbor for the accommodation of a large number of fishing craft that will eventually make Newport Beach their home port.

The factory when complete will be equipped with every modern appliance known to the canning industry and will conform to all regulations concerning sanitation, cleanliness, etc. The first unit will be used exclusively for the canning of fish but a second unit for the canning of tomatoes, peas, beans and other food products will be established.

**VIEWS ON KIDNAPING
STORY TOLD BY SON
OF MRS. R. B. TROY**

LOS ANGELES, June 20.—"You could scarcely call it an actual attempt at kidnaping; legally a husband cannot kidnap his wife. But you can say that it was an effort at intimidation."

This was the explanation today given the United Press by William S. White, son of Mrs. Robert T. Troy, concerning reports to the district attorney's office here that Mrs. Troy had been the victim of an alleged attempt at kidnaping.

Mrs. Troy, widow of the late Senator Stephen M. White, could not be seen. Efforts to get a statement from her regarding the alleged kidnaping report that caused a sensation in social and political circles throughout the state, were repeatedly referred to her son.

**PARIS PLEASED OVER
OUSTING OF HOFFMAN**

PARIS, June 20.—French newspapers today hailed the resignation of M. Hoffman, from the Swiss Federal Council, as marking the end of the long continued Swiss peace moves, some of which have been so persistent as to create irritation in allied countries. Hoffman's retirement was directly due to his transmission of German separate peace bait to Petrograd and was forced by the demand of a number of Swiss newspapers, who saw in such a move, a breach of neutrality, likely to give affront to allied nations. Dispatches from Berne today indicated that the Swiss foreign department would hereafter probably be under direct control of the Swiss President, M. Schulthess.

COUNTY CHARTER PROPOSITION COMING UP AT A. C.

Rumors That County Cham-
bers Will Be Asked to En-
dorse Movement

A county charter proposition will come before the next meeting of the Associated Chambers of Commerce, according to report. Effort will be made to have the county body endorse the efforts of the Taxpayers' League to have the proposition submitted to the voters of the county. Secretary Metzgar has been unable to verify the report or ascertain its source.

Should the question come up the meeting will perhaps develop into one of the most interesting of the monthly gatherings of boosters held in recent years.

The coast boulevard from Ventura to Capistrano will also come up for discussion.

The meeting will be held next Wednesday night, June 27, at Balboa Palisades tavern, with dinner at 7 o'clock. The road leaving the Newport boulevard and running around the bay to Balboa Palisades is in excellent condition. Those who are stopping at the beach and wish to attend, or those who prefer driving to Balboa and leaving their cars there will be taken from Balboa by boat.

SPEND WISELY TO SAVE LIFE

Red Cross Has Great Work
On Hand Relieving Suffer-
ings of Soldiers

J. S. Smart, of the local Red Cross campaign, said today that even to approach compliance with the most pressing needs facing the American Red Cross will require at least \$100,000,000. "At the moment," he said, "the real question is not so much how much money we need but rather how much can be spent wisely, and made effectively in the immediate future."

"If each individual American now contributes his 'bit,' there can be no failure. America will, we feel sure, in thus again to demonstrate her ability to handle a big task in a big way. That we may be able to perform this great task, we shall appeal to the generosity and for the hearty cooperation of the whole American people."

"Are the people of this country going to be content with a Red Cross organization which will take care of only our own army here and abroad? Is that our mission? If it is, then we need no such campaign. Rather, are we going to stamp the rest of the work with patriotism and an appreciation on the part of 104,000,000 American people? It remains for each and all of you to so imbue the rest of the people in your various and respective localities that we will respond in a way which will electrify the world!"

"If, in making a survey of the obligations and opportunities of our Red Cross, a gloomy picture is drawn, we must not be discouraged, but rather rejoice in this undertaking and in the confidence that we can by our voluntary action render a service to our afflicted allies which will for all time be a source of pride and satisfaction in a good deed well done. As President Wilson said: 'But a small proportion of our people can have the opportunity to serve upon the actual field of battle, but all men, women and children alike may serve, and serve effectively.' We must and will immediately concentrate our energies and efforts and by contributing freely to this supreme cause, help win the war."

**LOOKS DON'T COUNT,
SAYS CRIME EXPERT**

LOS ANGELES, June 20.—F. Florentine, who has spent years photographing criminals at the central police station identification bureau, defines phrenologists, character readers and many other individuals by declaring that you can't tell by appearances whether a man is a rascal or an angel. "One of the cleanest looking chaps I ever saw," says Florentine, "was guilty of the worst crimes in the calendar. I've been studying these birds for fifteen years and I wouldn't care to incriminate any man just because he might look even like the Devil himself."

**ANTS LEAD POLICE TO
SUGAR SAID STOLEN**

LOS ANGELES, June 20.—The next time sleuths get a case to trail alleged stolen sugar, they'll employ ants. They say so themselves. Working on the report of the disappearance of a large quantity of sugar, Detectives Ziegler and Fitzgerald came across a tiny but

HARD TASK FACED BY EMPEROR OF AUSTRIA

LONDON, June 20.—The youthful emperor of Austria-Hungary was confronted today with his most difficult task as a ruler since assuming the throne. The entire Austrian cabinet, headed by Count Clam-Hartine, resigned late yesterday. Dispatches received from Vienna via Amsterdam today emphasized the difficulties which the government must overcome in or-

der to obtain a cabinet which will receive sufficient support from the various factions in the empire to survive. Formal announcement by the Poles that they would refuse to deal with Clam-Martini's ministry, was directly responsible for the resignations of those advisors. The Slavic parties have been anti-government and with defection of the Poles the anti-forces held a majority in the reichsrath. Judging from the cautious comment of the German press on the ministry's fall, the Germans regard the situation as grave. Let the Gas Company convert your coal furnace into a modern gas furnace. No wood or coal to carry, no soot to clean out. Natural gas does away with all work and worry.

9 Days—Opening Thursday, June 21

The First of a Series of Our Advance Removal Sales Looking Forward to Our Occupancy of the New

Continual Growth of Business Compels Us to Expand Again

—To keep ahead of the growth of Santa Ana has been a fixed aim of this Store, that our patrons may have the selection of goods and service they are entitled to. This has kept us constantly improving. A diagram showing this steady enlargement is interesting to study.

Years	Sq. Ft. of Floor-Space Occupied
1894-1898	1,500
1898-1903	1,900
1903-1906	4,200
1906-1912	4,700
1912-1917	10,400
1917-?	27,500

Rutherford Block Corner 4th & Sycamore

—WE ARE PLANNING TO MOVE ABOUT SEPTEMBER 15th, TO OCCUPY THREE FLOORS AND BASEMENT. For the present the basement will be used as a store room, eventually as a "Bargain Basement." The three floors we shall fill with merchandise of the highest quality obtainable at the prices our customers want to pay. Our goods have always been of the better grades, for we believe they give the most satisfaction.

—LEADING UP TO THE TIME OF MOVING, WE SHALL HOLD A SERIES OF SPECIAL SALES, to clean out as far as possible all broken lines of Spring and Summer goods. This will allow us to enter our new store with a clean stock, and with the ready cash to cover extensive Fall purchases of the choicest merchandise. It will pay you well to watch for our Advance Removal Sales.

Modern Equipment to Be Installed Throughout Our New Store

—First-class and modern in every detail will be our equipment for the convenience and pleasure of our customers, and efficient handling of goods.

Otis Elevator, electric, enclosed, with a speed of 200 feet per minute. Fast, but not too fast to be comfortable. Will make the trip from first to third floors in ten seconds.

Lamson Vacuum Tube Cash Carrier System, speedy and reliable. Fourteen stations altogether on the three floors. Cash boxes travel at a speed of 50 feet per second, the longest run requiring but 3 seconds to reach the cashier's desk.

Hydraulic Freight Elevator, and Electric Package Elevator for the speedy handling of freight to the basement, and stock to the upper floors.

Women's Rest Rooms and Toilet Parlors, with the finest equipment for the convenience of our patrons. We shall be equipped for Manicuring, Massage, Hair Dressing, and Electric Treatments.

Intercommunicating and Long Distance Telephones.

"COME ACROSS"

Throughout the United States this week thousands of people who have given little thought to the fact that the United States is in war will give the situation sober thought. The campaign for \$100,000,000 for the American Red Cross is going to have the effect of bringing home to the American people that war means death and destruction, anguish, wounds and an ocean of blood. It is going to bring home to those who have been too busy or too thoughtless to consider the matter that real Americans are going up against gutting guns, shrapnel and the terrible walls of fire and gas from the German trenches, that our boys are going to struggle with barbed wire entanglements and take their chances with the deadly hand grenades of the enemy.

The sooner we, as a nation's people, realize the seriousness of the conflict, the sooner will we arise in our might and throw every energy we have into bringing the war to an end.

The conflict comes right home to us here in Orange County. Scores of our boys have already enlisted, and others will soon be in the ranks. Their health and their lives will be at stake, and we of Orange County are asked to put up a mere \$35,000 against their risk, an insignificant \$35,000 to better the chance of each of our Orange County boys that he will return to his home and his loved ones and to his friends here.

Let each bring home to himself that this appeal for money for the American Red Cross means to him just as much as it means any other person in the United States. Every man insofar as he is able should "come across" without a murmur. Suppose it does prevent you from getting a new suit of clothes or a new hat. What is that to weigh against the life blood of any one of our loyal sons?

ROUNDING UP LOAFERS

That there are hundreds of thousands of men of draft age throughout the country who do no regular work and who are virtually parasites was asserted in a recent conference in the office of the surgeon-general at Washington. That may be an exaggeration, but the figures are high enough at best. These men for the most part will escape immediate military service because of physical defects brought about by lack of discipline and bad habits. To round up these men, cure those who can be cured, and get what work out of them is possible so that they may not be drags upon the nation, is a problem before the government.

It's not only the big cities which produce the bums. Hardly a village in the land but has its little group of corner loafers. And somewhere, somehow, the community to the extent that it has produced them has failed. Its schools have failed or its homes have failed, or it has failed to provide decent recreation facilities for its boys.

And why should boys be allowed to idle away their days anyhow? A boy—or a girl—ought to be in school as long as possible, and there should be no gap between school and work. This is no argument against restful vacations, invigorating recreation. Street-corner loafing is neither. It serves no purpose. It is wholly destructive. There is no excuse for tolerating it.

TRENCH TALES

"We were holding a line of German trench one day," said an Irishman infantryman, "and the Boches counter-attacked pretty heavily. We'd been told the position was important, and we stuck to it for all we were worth but after a bit our bombs and ammunition began to run out. One of the men was sent back to get help. He found an officer of the battalion further back, who was so knocked out he could hardly move. The man saluted and tells how things are. 'You're no more bombs,' says the officer, half asleep. 'No, sir.' 'No more rifle ammunition?' 'No, sir.' 'Well, then,' said the officer, 'Swank them.' 'Yes, sir,' says the man and he gave p'rade salute and hurried back to the trench. We swanked them alright and held on until we were relieved. That's the only case I ever heard where a company ran out of ammunition. You'd think that with the quick way we go forward there would be lots of cases but it's marvelous

Principle of Universal Service

The Christian Register.

The great idea in the present operation of the principle of universal service is that every one's service is taken for granted, and is expected not as a compulsory obedience, but as a high obligation. It is unfortunate and unjust, therefore, that invidious comparison is suggested by the coincidence of volunteer enlistment with legal conscription. The readiness of every one to take the place which the system of registration will show him is as patriotic as any volunteer enlistment. It may even be more patriotic, because more democratic and fair. The men who wait their turn do so in any expectation of escaping it, but in order the better to serve their turn. The great day of national registration deserved to be surrounded with every circumstance of dignity and solemn appreciation. It was the day when not only those who may fight were registered, but when the national ability was ascertained and organized. There has been no such day of patriotism in our history. It signified a national unity, the

how everything follows up an advance nowadays. The guns are up in quick time, the transport keeps the rations and ammunition up to scratch, the pioneers and laborer companies get busy on the captured land almost as soon as we've passed over it. I tell you the thing works like magic.

BOTH TAHOE ROADS ARE OPEN TO TRAVEL

SACRAMENTO, June 20.—Both roads over the mountains to Lake Tahoe are open for travel, H. H. Bloer, state road engineer, announces. The road over the Summit to the lake through Auburn, Emigrant Gap and Donner Lake was opened Sunday.

LADIES' TAILORING

Special reduced prices until July 1. Have your suit tailored to your individual figure. Select materials and style wanted and have it made by an experienced tailor. Perfect fit and correct style offset the slight difference in cost between a tailor-made and an ill-fitting ready-made garment. Chas. Land, 109 East Third St. Phone 1350.

Dr. Magill, Osteopath. Phone 956-W.

"That bids fair to be an unusual match."
"Why, is she marrying him to reform him?"
"No, she is reforming him to marry him."—Houston Post.

Applicant—"Is there an opening here for a live-wire, hustling college man?"

Office Boy—"Naw, but there's going to be if I don't get my salary raised by tomorrow night."—Life.

Ed. (In auto)—"This controls the brake. It is put on very quickly in case of an emergency."
Coed—"I see, something like a kimonos."—Orange Peel.

THE WEATHER

Fair tonight and Thursday. Continued warm. Northerly winds.

June 19—Maximum, 81; minimum, 61.

MARRIAGE LICENSES

DEATHS

KOLLER—In Santa Ana, Cal., June 19, 1917, Arthur Koller, Jr., aged 1 year, 1 month and 21 days, at the home of his parents, Mr. and Mrs. Arthur Koller, 609 East Second street.
—Funeral tomorrow in Los Angeles. The body is at Smith and Tuthill's parlors.

CRISP—In Santa Ana, Cal., June 20, 1917, Josephine Crisp, aged 3 years, daughter of Chester Crisp.
—Funeral services will be held Friday, June 22, at 10 a. m., from Smith and Tuthill's chapel.

strongest bond, and most far-reaching we have ever known.

At the opening of the Civil War each side was under a blind delusion of over-confidence. It was sure to be a short and decisive conflict. This cost thousands of lives. Had the facts been truly measured, action would have been less precipitate, and unavailing sacrifices would have been avoided. In the present war there is little excuse for any such nearsightedness. The deliberate counsel of those best qualified to give information is to the effect that our entrance into the conflict will not quickly end it. While excited trepidation is uncalculated for and no one need doubt the issue, it is sure that terrible years are before us. The great cause cannot be won without heavy sacrifice. This certainty should unite us where opinion has divided. Whatever differences exist, the burden of the time is one which every one must help sustain. Discussions should be postponed. Heart to heart we should all work together for the common end.

SPORTS

By H. C. Hamilton

NEW YORK, June 20.—Out in Cincinnati one of the men who witnessed the combat between John McGraw and Umpire Byron has headed a petition for the removal of "McGrawism" from the National league. He plans to send his list of signatures to President John K. Tener.

Just what this fan means by "McGrawism" is uncertain, but the fact that he started his petition after the episode that resulted in Byron's knockout is sufficient evidence that he dislikes the fight part of the Giant leader make-up.

The truth of "McGrawism" is that it is a good thing for baseball. The fight part of it, of course, isn't, but there are few men, including the Cincinnati fan, who would have listened to Byron calmly if insulted as McGraw declares he was.

John McGraw undoubtedly is one of the finest figures in baseball. Not only is he a successful leader, a top-notch general, but his personality and shrewdness makes him sought out many, many times for advice on the big questions of baseball. He is level headed enough to hold his temper at most times. The fact that he did hit Byron should be sufficient to convince anyone who knows McGraw that Byron went a step too far.

McGraw was a fighter when he was a baseball player. His hot temper made him the target for taunts and rough playing. In later years, however, he has been able to hold down the fire. He was pushed to the limit at Cincinnati.

A baseball club without a spirit such as McGraw throws into his playing lacks in the most essential part. A man who won't fight for the best of it in baseball automatically drops from public sight. A fist exhibition, of course, is a bad thing, and fighting spirit, as it is meant in a game, doesn't consist of right crosses and left hooks. It consists of a dash and vigor for place that knows no barrier. That's the way the Giants have been playing ball.

It appears the Cincinnati fan has taken advantage of McGraw's battle with Byron to charge the entire New York club with bludgeoning their way through the league.

Subbubs—"My neighbor has a big dog that we are all afraid of. What would you advise?"

"Get a bigger one. Five dollars, please."—Boston Transcript.

Deaf-and-Dumb Beggar—"Do you think it looks like rain, Bill?"
Blind Beggar—"I didn't look up to see—here comes one o' my best customers."—Puck.

The Kuan of Khiva has granted one of these new democratic khonstitutions to his khonstituents, thus just in time to prevent them from kahning him.—Boston Transcript.

Sloan's Liniment for Rheumatism
The pain goes so quickly after you apply Sloan's Liniment for rheumatic pains, neuralgia, lumbago, sprains, and it's so easy to use. It quickly penetrates and soothes without rubbing and is far cleaner and more effective than messy plasters or ointments. Keep a bottle in the house and get prompt relief, not only from all nerve-pains but from bruises, strains, sprains, over-exercise and all external aches. At your druggist, 25c, 50c and \$1.00.

ARE FIGHTING STORM WATER DISTRICT PLAN

Stanton Says Others Should
Be In, and When They Are
He Will Not Object

Today the Board of Supervisors is hearing objections to the formation of three storm water districts, the Anaheim, the Garden Grove and the Buena Park-Cypress. This morning was set apart for the hearing on the Anaheim district.

The need of the district, which is formed for the purpose of doing protective work on the west bank of the Santa Ana river east of Anaheim, were set forth in behalf of the petitioners by Attorney H. G. Ames, Chas. Eygabroad, County Surveyor McBride and Engineer O. E. Steward. Then came the protests.

P. A. Stanton, who owns a large acreage at Stanton, declared that his objection is founded upon the ground that the district is not large enough. He did not object to a district. He considered a district necessary. He did object to the boundaries as proposed because they include his property and do not include the big acreages of the Hellman and Bixby interests.

Attorney J. C. Burke appeared for S. H. De Witt and other property owners who declared that their lands have never been damaged by any overflow of the Santa Ana river and who believe their lands are in no danger.

The Garden Grove hearing is set for this afternoon.

BUILDING OF YORBA BRIDGE WILL SOON BE OPEN FOR BIDS

After July 1, Figures Will Be
Received For Structure In Canyon

Yesterday the Board of Supervisors put over until after July 1 further action toward the construction of the proposed bridge over the Santa Ana river at Yorba. Figures for furnishing the material have been received by the purchasing agent and county surveyor. Bids are to be received for construction. This bridge will replace the one washed out in January, 1916.

Equalization Board
The county supervisors will sit as a board of equalization for two weeks starting at noon on the first Monday in July. Any person objecting to his assessment can be heard.

Several bids for the county rock crusher were received, but all were rejected because they were considered too low.

Road Accepted
The paved road built part way between Brea and Olinda was accepted as completed.

Permission was given the S.A.V.I. Co. to lay a pipeline across the county road in Santa Ana canyon.

The petition of D. E. Huff to close a road in Tustin was granted.

For straightening out a road in Yorba district, the petition of Mrs. Rosa Y. Locke for abandoning a strip of road and her petition for accepting another strip as a county road were granted.

The sum of \$300 was transferred from the advertising fund to the Santa Ana Chamber of Commerce. This is the usual appropriation.

The Pacific Telephone Company was given permission to excavate on West First and Edinger streets.

FIELDS BACK OF FRENCH LINES TILLED ONLY BY WOMEN

Pity of Scores of Villages
Stripped of Men Would Be
U. S. Recruiting Aid

BY J. W. PEGLER

(United Press Staff Correspondent)

WITH THE BRITISH ARMIES IN THE FIELD, May 27 (by mail)—If

America could know France today most likely American young men would flock to her aid by hundreds on every trans-Atlantic boat.

The pity of these scores of villages behind the lines, entirely stripped of able men, with many of the women in deep mourning as they carry on the work of departed soldiers, would appeal more strongly to the pure American than miles of recruiting posters.

Hop onto a military auto and go for a tour behind the fighting lines, over the ridges from which the wide landscape unrolls itself in its spring splendor. The ride will convince you that the young men of the United States have before them a duty that can't be shirked without dishonor.

Women, Children, No Men

The car draws up at a railroad barrier where stands an elderly soldier of France, disabled in the war and now on light duty. He passes the car and you roll into the main street. Here are women driving farm wagons,

women herding sheep, women carrying burdens that would cause a strike of the moving-men's union back home. Children may be seen through the cottage doors, assuming the burdens of housework. Women and children, no men, except the disabled. It is the war.

Beyond the village your car mounts a ridge. Miles of field are under cultivation. Women are following the plow or walking down the ridges with one arm swinging as they scatter seed from a bag. Women pass by on the road, leading farm horses.

French Need U. S. Help

That is a sample and typical of what is seen. The French are stoic but they need American help to whale the Boche. Their disillusionment if America should fail would be hard to picture. Their faith is so great in America, the sister Republic which honors LaFayette.

This is the district behind the lines. Up forward, where the war took to trenches after the Boche retreat, there are scarcely any villages left. Civilian inhabitants are rare.

One scene of peace has been found before a French city by the Germans. The British expect to take the place by the pressure of indirect movements, thus sparing the town from bombardment. If it is destroyed then Tommy will have another score to settle with the Boche dynamiting squad.

Before the town is a flat field of more than a mile. Underfoot are patches of dandelions. It is quiet and peaceful as a May day in Iowa. Overhead an aeroplane drones like a lazy bee in its patrol along the sky. Suddenly a battery wakes up at a vague spot and the shells make dark spots against the haze on the German horizon. The Boche bestirs himself, evidently trying to find a British gun. His gun thumps far away, there is an interval and then the shuttle is heard gradually growing louder.

Subscribers, Attention

If you do not receive your paper regularly, notify the Register by phone or card. In case your paper does not arrive by 6:30 o'clock, telephone Sunset 4, or 409 on the Home, give your name and address and say you want a copy of the Register. It will be delivered to you by messenger at once without extra charge. Service is our motto.

"Lots of Duds"

"Here comes one," says a Tommy. The shell drops a quarter of a mile away. "Dud," says Tommy. "Boche throws lots of duds."

Notre Dame de Lorette has come out green again after the terrific fighting there. Beyond is Vimy Ridge which the French fought so hard to take before the Canadians succeeded. Vimy looks down on the Boche lines and far into the German occupied land. The clay soil of the ridge is churned unimagineably. The British are beyond the ridge nowadays and engineers are perfectly organized behind the relentless advance. In a huge crater on the crest there remained a few dead who had been overlooked. They lay in their death postures amid their rusting equipment and nearby were a few French tin hats, mementoes of the fight that France made here.

The site of the chapel of Notre Dame de Lorette is peaceful now, though the chapel itself is obliterated. In the old German trench that ran through the church the French soldier has put up a little plaster of Paris group of the Holy Family, inscribed in the words of immortal faith: "Groupe de la Sainte Famille de la Santa Casa de Lorette. Pago de Gloire et de Protection Pour Nos Vaillants Soldats."

SORORITY REUNION

Mrs. Walter Hall Hostess to Phi Mu Members At Her W. Chestnut Ave. Home

A very enjoyable reunion was held yesterday afternoon, when Mrs. Walter Hall was hostess to members of the Phi Mu sorority at her home on West Chestnut avenue. Pink carnations, the sorority flower, were in artistic evidence.

From the U. S. C. Chapter there were present Misses Althea Henrichson, Esther Hanning, Anna Trivett and Mrs. Hall and from the University of California chapter Misses Nellie Wilson of Santa Ana and Ruby Campbell of Orange.

The time was happily spent with chat and sewing for the Red Cross. Misses Esther Hanning and Ruby Campbell pleased with mandolin and ukulele music and Mrs. Hall served delectable refreshments, carrying out the pink and white colors.

Quiet Morning Wedding

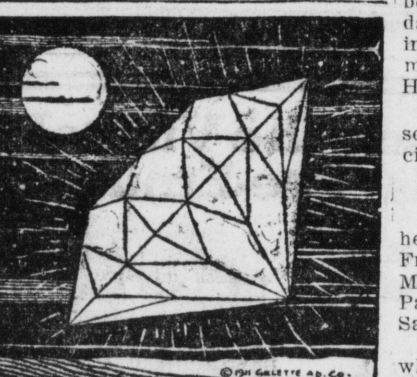

Mrs. Mina Taylor and Ed King were quietly married this morning at 9 o'clock at the home of Mr. and Mrs. Howard A. Wassum, the home being decorated in pink and white in honor of the affair. Pink carnations and ferns were utilized in the living room and Shasta daisies in the dining room. The bride and groom were unattended, the bride being escorted by a smart flock of dove color with hat and accessories to harmonize. Rev. H. W. Peck was the officiating clergyman.

Following congratulations, light refreshments were served and the bride and groom and Mr. and Mrs. Lloyd Babbitt left for an automobile tour to Santa Francisco and Mr. King's ranch in the north, to be absent a week, when Mr. and Mrs. King will be at home at the former's place at the corner of First and B streets, Tustin.

Those witnessing the ceremony were Mr. and Mrs. Wassum, Mrs. Sarah A. King, mother of the groom, Mrs. H. W. Peck, Miss Viola Kellenberg, Mr. and Mrs. Lloyd Babbitt and Wendall King, son of the groom.

Choral Art Club Rehearsal
The regular rehearsal of the Choral Art Club will be held tonight at Earl Fraser's studio at the regular time.

Gave Toast at Banquet
At the close of the meeting of Southern California preachers, which ended Monday at Long Beach, Rev. P. C. Watson of the Richmond Avenue church here, responded to the toast, "The Tenderfoot of California." Five hundred attended the banquet and enjoyed the program.

JOLLY QUILTING PARTY

At the home of Mrs. Ramsey, on the street of Seventeen, met the jolliest quilting party that ever you have seen.

Very early in the morning they began to stitch away. And the quilt was all completed long before the close of day.

But although their hands worked swiftly (Each one labored with a will), Their tongues worked even faster—
Not a moment were they still.

The delicious chicken dinner, and the luscious berry pie, Helped to keep the party cheerful. As they worked with many a sigh—(after dinner).

There were Mesdames Hill and Holbrook, Mrs. Baker—who worked hard, Mesdames Havens, Ritner, Marshall, Mesdames Taylor and Grouard.

Mrs. Holmes and Mrs. Lockett, Mesdames Lyon and Elliott there; Each one worked their very hardest To do their rightful share.

Mrs. Merle Ramsey also, And her little daughters two, Came over after dinner To say "How do you do?"

But at last they all departed, With a satisfied "adieu," Wishing their delightful hostess Might have another quilt to "do."
—MRS. R. E. E.

CHINA WAS SUBJECT

Woman's Club Reviews Interesting Book, Hears Good Talks Yesterday

A splendid meeting of the Woman's Club was held yesterday at the home of the president, Mrs. I. D. Annis.

Following the usual order of business, the regular program was entered upon. The review of the book, "My Lady of the Chinese Courtyard," was handled very ably by Mrs. J. E. Liebig. She gave a comprehensive outline of the part women are playing and will play in the affairs of China. Talks on China by the different members supplemented the book review.

The annual outing of the club will be held at Orange County Park Tuesday, June 26. Members desiring to go in the stage are requested to communicate with Mrs. Frank Ey or Mrs. Henry Diers by Saturday.

After adjournment Mrs. Annis served fruitade and a variety of delicious wafers.

Married at Sacramento

Announcement has been received here of the marriage of Miss Sara Frances Peffley, daughter of Mr. and Mrs. D. Frank Peffley, and Preston Parker Coons, on Sunday, June 17, at Sacramento.

Miss Peffley formerly resided here, where she made many friends.

ALL DAY MEETING

Daughters of Veterans Spent Happy Time at Ward Home Yesterday

In place of their customary monthly afternoon social tea, the Daughters of Veterans enjoyed yesterday an all-day meeting at the hospitable home of Mrs. W. E. Ward. During the morning hours busy and skillful fingers, to the accompaniment of jolly chat, fashioned in the interest of the Red Cross, a number of surgical gowns and three dozen tray cloths.

At the noon hour the capable committee on arrangements, Mrs. D. W. Hamilton and Miss Edith Ward, gave the call to the dining room. Enthusiastically responding to the Daughters found the two tables charmingly decorated with pink and white carnations and lavishly laden "picnic style" with such a tempting menu as might please the most jaded appetite to say nothing of the whetted ones of weary workers. Sixteen "girls" and one lone "boy," W. E. Ward, forming, as one Daughter slyly remarked, a dark brown spot on the general pink and white of the landscape, sat about the tables and did ample justice to the good things, leaving exactly room for the delicious ice cream and homemade cake that capped the feast.

Returning to the parlors after an hour or two more spent in sewing a convenient difficulty arose as to the proper putting together of one of the surgical gowns and a telephone call was put in for Miss Marie Thomas, one of the season's most charming brides-elect and the recipient of many recent pre-nuptial favors, to run across and help out with her expert nurse's counsel. Very unsuspicious of any scheming, Miss Thomas obligingly came and gave freely of her advice and the gown was straightway finished and fitted upon the victim, and found correct as to lines, etc. Miss Thomas was then handed a basket containing a number of jingles and requested to open, read, and then hunt in turn for the article described in the verse.

The poetical efforts of the Daughters thus disclosed were cunning and clever, showing in many cases unsuspected talent. The honoree quickly conquering her embarrassment and surprise, entered into the fun and after diligent search all were discovered and the happy young bride-elect found herself in need of a conveyance to carry home the fine array of useful kitchen utensils the shower had brought her, each with a memory association to later cheer her in the distant new home to which she will soon be fitting. The jolly day closed and the Daughters departed with felicitations for the honoree and thanks to Mrs. Ward and the committees for a profitable and happy day.

Mrs. E. A. Bell had charge of the shower arrangements. The following were present: Mesdames C. E. Adams, P. B. Glover, P. G. Stevens, W. H. Thomas E. A. Bell, D. W. Hamilton, W. E. Ward, J. T. Wilson, A. B. Gardner, J. C. Lamb, R. E. Vincent, H. E. McKean, Good Adams; Mesdames Edith Ward, Maude Powers and Mr. W. E. Ward. The following could not be present but had their part in the kitchen shower: Mesdames George Smith and H. S. Gordon and Miss Bertha Bell.

WELCOME HOME

Miss Madoline Christiansen, Tustin, Enjoys Two Weeks Vacation From Hospital

A very complete and jolly surprise was given Miss Madoline Christiansen, who is home from St. Joseph's Hospital at San Diego for a two-weeks' vacation, when a party of her friends visited her at her home last evening.

The affair also celebrated Miss Christiansen's nineteenth birthday anniversary and she was invited to spend the evening at the home of a neighbor. Presently the continued honking of automobile horns attracted her attention and she went out to see what it was all about.

Being greeted by many shouts and good wishes, the young honoree realized that she was the "victim" and soon made her guests at home assisted by her genial parents, Mr. and Mrs. H. P. Christiansen.

A pink and white color scheme had been prettily carried out and instru-

mental and vocal music was enjoyed together with games. Much merriment was caused by the pencil sketches drawn of the honoree and Mrs. Stefansson, who also celebrated her birthday. A. D. Bath proving the most clever artist was awarded a landscape picture and in another contest, Mr. Bath and Miss Inez Klatt, cut for the trophy, an artistic bouquet of pink carnations, marguerites and ferns, which was captured by the latter.

Great fun was caused by the first, second and third degrees which proved to be a good joke on the men.

Refreshments of ice cream, cake and orangeade were enjoyed, also carried out in the prevailing tints and two birthday cakes, one holding nineteen twinkling tapers and the other thirty-eight, were admired. Miss Christiansen extinguished her candles in three breaths and Mrs. Stefansson in four.

The invited guests were Messrs. and Mesdames H. C. Lowe, A. D. Bath, T. F. Simington and sons, W. O. Packard, N. Gledhill and son; Mesdames Mary Love, Violet Cummings, Mary Steffansson; Misses Lucille and Catherine Packard of Santa Ana; Mr. and Mrs. A. J. Smith and family of Garden Grove, Misses Ethel and Inez Klatt, Messrs. George and Bryan Christiansen to Tustin; Messrs. W. Taylor of Bear Lake, Idaho; W. Call of Austin, Wyo.

Will Play at Camp Meeting
Rev. F. G. Watson has been re-engaged as cornetist for the Methodist camp meeting to be held the week of July 22-August 6, at Huntington Beach.

Eighty-fifth Birthday
Charles Stein, one of Santa Ana's oldest residents and pioneers, yesterday reached the eighty-fifth milestone in his life and in company with a number of relatives celebrated the occasion last evening.

His niece, Mrs. John Zimmerman, with her husband and daughter, Miss Eunice, brought the lovely birthday cake, which twinkled with the required number of candles and was served with delicious ice cream.

The others in the party were Mrs. Stein and her sister, Mrs. Ella Dible, who assisted in the arrangements for the evening. The affair was a surprise to Mr. Stein, who still has the best of health and reads his Register every evening.

AMUSEMENTS

At the Temple
Present day thrilling submarine events were foretold fifty years ago by Jules Verne, the greatest imaginative writer who ever lived. Today they are pictured down to the minute in the startling photoplay based on "Twenty Thousand Leagues Under the Sea" which the Temple Theater will present for the first time in Santa Ana on next Sunday and Monday.

The thrilling fight of a diver with an octopus, a hungry school of sharks, the strange beauty of undersea plants and animal life, the torpedoing of a yacht by a submarine, the uncanny survival of a dead man by his companions on the ocean floor, are some of the unusual features.

Temple Theater begs to announce that there will be absolutely no advance in prices for this attraction.

Princess Theatre
The attractions at the Princess today are Helen Holmes, in the third of the "Railroad Raiders," Ben Wilson, who is playing lead in "The Voice on the Wire," will appear in a drama, "A Wife's Folly," and Geo. Ovey in a Jerry comedy, "The Lady Detective."

B. P. O. E. ATTENTION
The officers of Santa Ana lodge will confer the degree at Anaheim tonight. All members earnestly requested to attend. Will leave the club at 7:30.

W. W. WASSER, Sec'y.

NEVER NEGLECT A COLD
A chill after bathing, cooling off suddenly after exercise and drafts, give the cold germs a foothold that may lead to something worse. Safety requires early treatment. Keep Dr. King's New Discovery on hand. This pleasant balsam remedy allays inflammation, soothes the cough and repairs the tissues. Better be safe than sorry. Break up the cold with Dr. King's New Discovery before it is too late. At your druggists, 50c, \$1.00.

Personals

Rev. and Mrs. F. G. Watson and family are spending the week at Balboa, enjoying a family reunion, including Mr. Watson's father and mother and niece.

Mrs. H. T. Rutherford has returned from Keene Camp, where she has been spending a delightful two weeks.

Mr. and Mrs. H. W. Lawrence departed yesterday for Meadville, Pa., where they will spend the summer. They have a fine summer home of five acres at Coneau Lake, near Meadville, and a home at the latter place, but will spend most of the summer at the lake.

N. O. James and family of 2070 Bush street, are home from a week's vacation, passed at Forest Home.

J. W. Taylor and family left yesterday for Pine Knot, in the San Bernardino mountains, where they will remain for a week.

Miss Faith Shaw is home from Redondo to spend the summer.

Mr. and Mrs. Charles Hosea and the latter's niece, Miss Lillian Goodman of Los Angeles, have gone to Big Bear Lake to spend a week or ten days.

Mr. and Mrs. Ted Shaw and little daughter, Margaret, Mrs. J. C. Morrison and daughter, Miss Viola, and Miss Arlene Morrison, are sojourning for a week at Laguna.

Miss Joella Gowdy and her sister, Mrs. Elizabeth Gowdy Baker, have gone on a trip east, stopping at Yosemite en route. Miss Sarah Gowdy is spending the summer at Laguna.

Misses Grace Roberts and Mame Havens left this morning for Mt. Herman, where they will spend two months. Next month they will attend the Northern Baptist assembly to be held at Twin Lakes and in August they will be attendants at the C. E. assembly at Mt. Herman.

Mrs. Leo Rafter and son Leo were morning passengers to Los Angeles.

Mrs. Fred Taylor and children of Wood cottage at East Newport for the summer. Mrs. Taylor and Mrs. Wilson are sisters.

Mr. and Mrs. Harry Kennedy have been guests of relatives here for a few days, coming down from Los Angeles to attend the play and commencement exercises, their nephew, Eugene Trago, being a member of the graduating class.

Mr. and Mrs. R. J. Blee will leave Los Angeles at 7:30 this evening on the Southern Pacific for Sacramento, where they will visit with their son. Before returning they will spend a brief vacation at Hornbrook, in the Shasta mountains.

Mr. and Mrs. Harry Pennington, 1211 East Third, took their departure today over the Santa Fe for Fairfield, Ill.

Mrs. A. G. Huntress departed today for River Falls, Wis., traveling over the Santa Fe.

F. T. Smith, Santa Fe agent, was a business visitor in Los Angeles today. Miss Emma Fischer and Miss Vina Peterson, the former a teacher in the Harper school and the latter teaching at Bolia, have gone east on a vacation trip. They will visit in Chicago and before returning will go to Woodward, Iowa, where they will be guests of Miss Fischer's aunt, Mrs. H. J. Seeman. They were booked by the Southern Pacific.

Mrs. Allen Goff and mother, Mrs. Martin, are spending a few days in Los Angeles with relatives, prior to Mrs. Martin's return to her home in Oakland. She has been the guest of her daughter here for several weeks.

Clyde Butler, secretary of the Orange County Engineering & Construction Company, is in Oakland, where he will remain for ten days or two weeks, superintending the construction of the mausoleum which the company recently secured the contract for. He will look after the job while H. Clay Kellogg returns here on business matters.

LAWRENCE ESTES OF REGISTER COMPOSING ROOM CALLED TO NAVY

Lawrence Estes, assistant pressman of the Register, today received a wire instructing him to report at once at the local recruiting station for orders as to where he shall go. The loyal Lawrence took off his ink-spattered bib-overalls, threw them in a corner and with the best wishes of his co-workers of the Register went out to join the fighting forces of his country. Lawrence has almost grown up in the Register office, and his devotion to his work and his thorough good nature has made him the friend of everybody in the place. His job will be waiting for him when he gets back.

OVER ONE-HALF
S. A. RED CROSS
FUND RAISED

(CONTINUED FROM PAGE 11)
place him in your home—you can replace the dollars.

"The Red Cross needs your money. It will need more, and other campaigns will follow. Other millions will have to be raised before this dreadful war is over. Your son's life may depend on what you give. Let's take care of our boys and make it possible for as many of them as can to return to us. Let's be prepared. It costs \$1000 to get every soldier and train him for the trenches, and it costs \$50 to repair him after he is wounded. Don't make the mistake England made by not being properly prepared to take care of her wounded. It has been shown that 90 per cent of the wounded of the Kaiser's soldiers have returned to the battlefields. That's the difference between preparedness and unpreparedness."

Cass declared that Germany has from 8,000,000 to 10,000,000 soldiers, and predicted that every able-bodied man in this country between the ages of 18 and 40 years would be in Europe before this is finally written in the present struggle.

COURTHOUSE OFFICIALS
SET A HOT PACE

Yesterday afternoon County Auditor Jerome, who is captain of one of the soliciting committees, called the courthouse and city hall officials together for a conference.

"How much are we going to give for the Red Cross?" asked Jerome. "We ought to establish some basis that would be followed by all of us insofar as our means allow."

That started the discussion, and the upshot of it was that a motion was passed recommending that courthouse and city hall officials, including deputies, give one-half of one month's salary to the Red Cross.

"GIVE A DAY'S WAGES"
SLOGAN AT BREA

There is decided activity among the people at Brea who are taking the lead in getting Red Cross funds.

"Give a day's wages" is the slogan that has been adopted among the employees of the oil wells, and the slogan is being met with a hearty response.

FULLERTON DISTRICT
HAS RAISED \$3000

Fullerton has already raised \$3000, and active work is being done by its committeemen. The Fullerton section is taking in Placentia, Brea and La Habra, and from those places subscriptions are being received. The Fullerton people are showing a deep interest in the campaign, and results will be shown.

BAY CITY SUBSCRIBES
\$285,319 TO RED CROSS

SAN FRANCISCO, June 20.—With more than a quarter of the million dollar fund San Francisco is raising for the Red Cross, already subscribed, the campaigners started today on the second day of the big drive. Contributions to this morning totaled \$285,319.

COUNTY BOYS ARE CALLED TO GOAT ISLAND FOR TRAINING

Orders to Report For Service By Monday Are Received Here Today

Seventy Orange county boys will leave next Saturday for Goat Island, where they will go into training for service in the navy.

That number of young men who have enlisted in the navy and been returned to their homes to await orders have been called to service, Master at Arms McKelvey, in charge of the local recruiting station, having today received orders to notify the men to report for duty.

McKelvey is notifying all to report at the station so as to be ready to leave Santa Ana Saturday morning at 8:25 by Pacific Electric for Los Angeles, where they will take the train for the northern training station.

The yeoman branch of the service has been closed to enlistment. The required number has been secured. McKelvey today closed the branch recruiting station at Anaheim, which he has been devoting himself to in the forenoon for several weeks past. He will now give his full time to the Santa Ana station.

SANTA ANA NOW ON NEW SALT LAKE ROUTE MAP

Santa Ana is on the map of the Salt Lake Route. In a map just printed advertising the Salt Lake Route to Zion Canyon, Utah's Wonderland, the line branching from Pico station to Santa Ana is clearly indicated, and it is the first map issued by the company in which the branch line is shown.

"Utah's New Wonderland" is reached by taking the Salt Lake to Lund, and from there by automobile, a six-hour ride over smooth roads with enchanting scenes developing at every turn of the road.

QUEER SHOT KILLS PESKY L. A. ROOSTER

LOS ANGELES, June 20.—Foster Kirk's rooster crowed too lustily to suit the neighbors and the neighbors told Kirk about it, without mincing words.

Kirk went out and shot straight up in the air, to let the neighbors know that he was armed. The bullet returned to earth, killing the rooster—the best bird in Kirk's flock.

"Anyway, the shot brought peace," Kirk reported. "I anticipate no further trouble."

AVERAGE DEATH AGE IN STATE 52.6 YEARS

SACRAMENTO, June 20.—The median age of those who died in California during 1916 was 52.6 years, half the decedents being younger and half of them older, according to figures just compiled by George D. Leslie, director of the State Bureau of Vital Statistics.

These figures show that there was an advance between 1911 and 1916 of nearly four years in the median age at death in the state. This continued advance in the median age indicates, says Leslie, that the warfare on preventable and postnatal deaths is being conducted with success in California.

As fewer deaths occur in successive years from typhoid fever with a median age of 30 years and as a check is put on further gains in the death toll of tuberculosis, with a median age of 35 years, people die in California more and more from other causes with higher median ages, such as cancer, nervous ailments, Bright's disease, each with a median age of about 60 years.

DEL NORTE COUNTY IS IN NEED OF POULTRY

CRESCENT CITY, Cal., June 20.—Del Norte county may have won considerable fame two years ago at the legislature as the home of the woodpecker and "alocochek" but there is one sort of bird which is lacking here.

Del Norte county needs chickens. Reliable figures show there are fewer chickens in this county than there are cows.

COUNTY WOMEN ORGANIZE FOR CONSERVATION OF FOOD

County Horticultural Commissioner Tells How to Prevent Waste

(CONTINUED FROM PAGE 1.)

ple in the United States if each family wasted one ounce of fat.

Families should save in every respect and not be "finicky" as to their likes and dislikes but eat whatever is put on the table.

Urges Cornmeal Use
Bishop advised using cornmeal at least twice a week, so that the wheat supply can be conserved. People waste without knowing, all that is needed is an explanation. He also advised the organization of canning clubs to conserve fruit and vegetables for the family supply. Fruit can be canned with less sugar or no sugar at all. A wonderful record has been made by girls' canning clubs, some canning from 8000 to 10,000 quarts of fruit, much of which has been sold.

The other speaker of the afternoon was Prof. J. A. Crinston, city superintendent of schools, who told what the boys and girls can do along these lines. Mr. Crinston stated that a man coming here from the East and Canada made the remark that the Coast was not awake to the conditions in Europe and does not understand war problems.

People are expressing their loyalty in various ways, such as purchasing liberty bonds, Red Cross work and work in Y. M. C. A. camps.

What Children Earn

The speaker said that in 1908 the boys and girls of the fifth, sixth, seventh and eighth grades of the public schools earned \$10,000 and the high school pupils \$8,000. The children are a wonderful force and energy and plans will be formulated for them to do their share in conserving the food supply.

D. K. Hammond, principal of the high school, has a great deal of information as to what the students can do and any one wishing that kind of help can consult with him.

Mrs. Lawton read the plans for organization, and mentioned the twelve lines of work to be followed, including registration for service, home relief, allied relief, food production, conservation and thrift, Americanization, labor of women, public health, child welfare, instruction courses, protection, regulation, conservation of moral and spiritual forces and special committee on Liberty loan fund. There will be no conflict with work done by other societies and if any club or society is doing work along special lines, that work will be continued.

Large Membership Represented
Representatives present consisted of presidents or members of twenty-four organizations with a membership of 2100 and thirty-two individual members signed.

The nominating committee consisting of Mrs. D. Eymann Huff of El Modena, Mrs. J. G. Dunn of Gardeau, Mrs. W. L. Deimling of Santa Ana, Mrs. Frank Morse of Placentia and Mrs. Carrie J. Drake of Yorba Linda, brought in the names which head this article and recommended that a corresponding secretary be appointed by the chair. The report carried unanimously.

The president then named chairmen for the five supervisory districts: No. 1, which includes Santa Ana, Mrs. W. A. Patterson of this city; No. 2, Garden Grove, Westminster, Huntington Beach, Talbert, Alamitos, Seal Beach and Bolsa, Mrs. J. G. Dunn of Garden Grove; No. 3, Anaheim, Fullerton, La Habra, Buena Park, Olinde, Richfield and Yorba, Mrs. Carrie J. Drake of Yorba Linda; No. 4, Orange, Villa Park, Olive, El Modena, McPherson, Mrs. F. P. Pruitt, Orange; No. 5, Tustin, Irvine, El Toro, Harper, Delhi, Laguna, Newport Beach, San Juan Capistrano, Mrs. S. W. Stanley.

Form Executive Board
The chairmen of these districts, together with the officers, will form the executive committee. Each district will also have a chairman.

As Orange county women have selected the subject of food conservation, they are interested in the passage of the bill for \$25,000,000, which will be used to send out demonstrators to teach the various lines of the work, which has already been taken up by the state university and which will soon send out three demonstrators to work in the eight southern counties, to which district Orange county belongs. The date for Santa Ana is June 25.

Mrs. Lawton explained the plan of a family fruit dryer, which is very simple and can be had for \$10, \$7.50, \$5 and \$1. Boys can make these dryers and they will probably be called upon to do so. Literature was given out for its use in drying fruits and vegetables.

COUNTY SEALER TO OBTAIN DATA ON FISH

George McPhee, county sealer of weights and measures, has received from State Sealer Johnson, blanks for the registration of the name and place of business of every fish dealer in the county, the kinds of fish he handles and the prices, wholesale and retail.

The work will begin next Friday and is being done under the direction of the State Council of Defense along the lines of food conservation.

This is a little out of the province of the county sealer's work as laid out by the state government, but as these are unusual times, every man in the state's employ is supposed to go out of his way to obtain information required.

The prodigal son had just sneaked in the back way, between two days.

"Owing to the greediness of the beef trust," explained the old man, "we are entirely out of fattened calf, but here's a can opener. Get busy."—Indianapolis Star.

COX IS SATISFIED THE SPEED TRAPS TELL THE TRUTH

Errors in Passing Result In the Issuance of Warrants For Arrests

This morning R. B. McIntosh of Los Angeles endeavored to smash a charge of speeding put against him by Motorcops Davenport and Ballard. He declared that the speed traps are shorter than the motorcops say they are. He said that the system of getting a man's time by watching the time he passes a mark is inaccurate.

Justice Cox went into minute detail concerning the methods employed by the motorcops, and he declared himself to be absolutely satisfied that their time-taking and speed-computations are correct. McIntosh paid \$10.

It cost him \$15 for passing an automobile when another was approaching. He almost ditched Under Sheriff Iman when he drove out from behind a wagon and came suddenly face to face with the approaching county car.

Charges Carelessness
J. H. Fry has sworn to a complaint charging A. B. Gilbert with careless

driving on the Garden Grove-Anaheim road.

A. S. Ralph of the auto club has taken out a warrant for the arrest of C. E. Lindner, who, Ralph says, attempted to pass two cars that were already passing, on West Chapman street.

ROUND OF GAETIES GIVEN MOONEY JURORS

SAN FRANCISCO, June 20.—Such dissipation as they have been indulging in with the sanction of the superior court, has not been known to some members of the jury trying Mrs. Rena Mooney for the preparedness parade bomb murders, for years. At least, that's what they say.

For instance, Saturday night they put away the poker chips and Sunday saw the jury attending services at St. Patrick's church. Then, devotions over, there were grandstand seats, peanuts, popcorn and pink lemonade for the afternoon and a theater party in the evening.

NATIONAL GUARD MEN TAKE OFFICERS EXAMS

SACRAMENTO, June 20.—Examinations for officers of the National Guard commissioned or re-commissioned since June 3, 1916, the date the national defense act became effective, began this week under the direction of Adjutant-General J. J. Borah. There are 130 officers in the National Guard who will have to take this examination in order to hold their positions. The officers rank from second lieutenants up to Brigadier-General Robert Kankowski.

TO REGISTER THREE MEXICANS NOW IN THE JAIL HERE

Earl Armstrong Is Taken to Los Angeles By Federal Authorities

The three Mexicans who were arrested at Fullerton for failing to register on June 5 will not be prosecuted by the federal authorities.

This morning Sheriff Jackson received instructions from the federal officers in Los Angeles to have the men register here, as they are willing to do, and then to send them to Los Angeles to be registered by the Mexican consul.

Earl Armstrong of Fullerton, arrested for failure to register, was taken to Los Angeles last night. The officers believe that he was intentionally trying to avoid registration.

Croup, Whooping-Cough Relieved
Children's diseases demand preparedness. When the child wakes you at night, gasping and struggling for breath, how thankful you are to have Dr. Bell's Pine-Tar-Honey at hand. This effective remedy loosens the mucous and permits free and natural breathing. Its soothing balsams heal the irritated membrane and arrests further inflammation. Pleasant to take. Keep Dr. Bell's Pine-Tar-Honey in the house for all colds and bronchial troubles. At your druggist's, 25c.

SANTA ANA, CALIFORNIA, WEDNESDAY EVENING, JUNE 20, 1917.

SUE O'NEILL TO NOTE OF CHEER TO DOMINATE AS FIX TAX UPON INHERITANCE

124 ARE GIVEN SHEEPSKINS AT POLY COMMENCEMENT TONIGHT

Action Aims to Fix Valuation
Of Property Deeded to
Oceanside Man

Suit to determine the amount of inheritance tax due on the great Santa Margarita Mission Viejo and Trabuco ranches, and constitute it a lien upon the ranch and personal property thereon, was brought in the Superior Court of San Diego yesterday by John S. Chambers, as controller of the state, against Jerome O'Neill of Oceanside.

The petition was filed by Attorneys John W. Carrigan and Edwin H. Pen-nock, and recites that Richard O'Neill, who owned the ranch and who died May 7, 1910, had transferred the property by grant deed to Jerome O'Neill, the records of the transfer being filed in San Diego, Orange and Riverside counties, December 24, 1909. No portion of the inheritance tax ever has been paid, the petition relates.

The three big ranches consist of 200,000 acres in San Diego, Orange and Riverside counties. It is said to be valued at several millions. The hearing of the case was set for July 27, by Thomas O'Halloran, inheritance tax appraiser of San Diego county.

Sloan's Liniment for Rheumatism
The pain does so quickly after you apply Sloan's Liniment for rheumatic pains, neuralgia, toothache, lumbago, sprains, and it's so easy to use. It quickly penetrates and soothes without rubbing and is far clearer and more effective than musky plasters or ointments. Keep a bottle in the house and get prompt relief, not only from all nerve-pains but from bruises, strains, sprains, over-exercise and all external aches. At your druggist, 25c, 50c and \$1.00.

Did you have the city's atmosphere and all it carries with it blown out of your brains and tired body by the fresh breezes of the beaches yesterday? Did they prove sure death to the "fog" microbe, or did you take up the warfare of life feeling just a little more weary, just a little more irritable than you did before the Sunday program opened its page before you?

The Triangle Market's doors flew open this morning with its full staff of "fats" and "thins" looking as fresh as daisies and brimful of good nature and vim. The sawbones pitched into work and in a little less than no-time great roasts of the choicest beef, layers of the juiciest steaks, platters of the sweetest of veal cutlets, trays of the finest lamb chops, slices of bacon, ham, bologna, hamburger, weinies, etc., etc., were in full display. Inside the wicket were the grocery clerks—who fully realized that manna cannot now be picked up in the back yard, but must needs be gotten at the Grocerteria—were stacking the shelves to their utmost capacity, and ready to answer any query concerning their goods which might be put to them, and here are a few samples:

"My husband takes a cold dinner, what shall I give him?"—"Our bread and butter, cold veal, hard boiled eggs, pickled beets, cherry pie. Another, "What shall I get for breakfast?" Oyster toast, Triangle coffee. "The weather is so hot I wish you could tell me what to get for dessert." Frozen pudding, rice snow balls, fruit ice, apple snow, cold slaw, Jello snow pyramids, icicle gelatine. "Supper, Supper and I have not an idea!"—"Our herring and potato salad, lentils with prunes, our bread, butter and tea." "Say, do you know why we come here to buy? It is because you sell fancy and extra fancy goods as low as others sell standard." Now you have it. Come again tomorrow, and the next, and don't forget your basket.

Hearts Aflutter As Occasion
Nears; Optimism to Be
Keystone of Dr. Aked's
Address

Hearts are fluttering with anxious anticipation in Santa Ana today and excitement is running riot. For tonight will be held the annual commencement exercises of the Santa Ana Polytechnic High School.

One hundred and twenty-four pupils of the big institution will be given their diplomas tonight and as each sheepskin is tendered by R. R. Smith, president of the high school board, each successful student and his proud parents and relatives will be swept by feelings in which satisfaction over work well accomplished will mingle with regret that school comradeships and associations of long semesters are passing into memory and broader vistas of the future are opening. The presentation of the diplomas will be inevitably an occasion of deep significance, yet, though this fact will not be lost sight of during the exercises, solemnity will not be stressed. A cheerful view of life will be taken. Optimism, in short, will be the keynote of the evening and will be strikingly apparent in the principal address, which will be given by Rev. Charles F. Aked, noted divine, who is now supplying the pulpit of the First Congregational Church at Riverside. "The Impossibility of Everything" will be the title of Rev. Aked's address.

Rev. Aked is in the forefront among well known American pastors. For years he has preached in San Francisco, having one of the largest congregations in the Bay City. He was further brought into prominence by his active participation in the Henry Ford peace mission to Europe.

Tonight's exercises will begin promptly at 8 o'clock. The commencement will be open to the public and seating arrangements for 2000 people have been secured.

Following is the program:
March—Ruth Violet.
Invocation—Rev. A. T. O'Rear.
Music, "With Sheathed Sword."
(Costa)—Class.
Address, "The Impossibility of Everything"—Dr. Charles F. Aked.
Presentation of Class—D. K. Hammond, principal High School.
Awarding of Diplomas—R. R. Smith, president High School Board.
Acceptance of Diplomas for Class—Fred Forgy.
Class Song, written by Jewell Hickox—Graduating Class.
Benediction—Rev. A. T. O'Rear.

FULLERTON JULY 4 DEDICATED TO RED CROSS

FULLERTON, June 20.—Dedicating the day to the Red Cross, directors of the Board of Trade at a meeting here laid plans for the Fourth of July celebration to be held in this city. The day is to be given over to a Northern Orange County celebration, and every town in the district has agreed to lend its support.

Though but a short time remains, the Board of Trade has already marshaled its forces and committees are working out the plans.

The day will probably open with a parade of a military nature and will probably include a number of floats. Because conservation is being urged everywhere the fire works display that has been a part of Fourth of July celebrations since time immemorial, will be dispensed with.

Instead there will be a street dance in the evening and one or two outdoor movie shows.

In the afternoon there will be a program of sports, including a baseball game, and addresses will be delivered by local speakers.

Concessions for the day will be granted only to the local Red Cross and auxiliaries and the entire proceeds from the day from other sources will go to them.

Old Folks Saved From Suffering

Mrs. Mary A. Dean, Taunton, Mass., in her 87th year, says: "I thought I was beyond the reach of medicine, but Foley Kidney Pills have proven most beneficial in my case."

Mr. Sam A. Bridges, High Point, N. C., writes: "My kidney trouble was worse at night and I had to get up from five to seven times. Now I do not have to get up at night, and consider myself in a truly normal condition, which I attribute to Foley Kidney Pills, as I have taken nothing else."

Mrs. M. A. Bridges, Robinson, Mass., says: "I suffered from kidney ailments for two years. I commenced taking Foley Kidney Pills ten months ago, and though I am 61 years of age, I feel like a 16-year-old girl."

Foley Kidney Pills are tonic, strengthening and up-building, and restore normal action to the kidneys and to a disordered and painful bladder. They act quickly and contain no dangerous or harmful drugs.

Class Day Exercises Held Yesterday Are Linger-
ing In
Memories of Graduating
Class

Not least among the many post school season events of commencement week that this year's graduates from the Santa Ana high school are today adding to their store of memories to treasure in future years are the class day exercises, held yesterday afternoon on the high school grounds.

The events of yesterday afternoon have gone into the great and illimitable land of nevermore but for the graduates they will remain ever fresh in recollection and without a doubt will make brighter many a dark hour of the future. The exercises were marked with scores of delightful touches of beautiful sentiment, which nothing, no matter what, will ever erase from the memory.

"Accomplishments of the Class" were recited for the benefit of the graduates and relatives and friends who thronged the grounds by twenty of the seniors, who staged an old-fashioned school scene. Questions were asked by the "teacher" and the answers to each revealed what had been done by the graduates in school.

Happy hits and telling "take-offs" on the foibles of the graduating class were contained in the "Class Will," read by Myford Irvine. The imposing document was read in a "courtroom" and those acting as officials were Robert Jeffery, Myford Irvine, and the Misses Helen Walker, Ethel Miller, Dorothy Utt and Irene Griset.

The presentation of the fountain to the student body by the seniors of 1917 was in accordance with the custom in the school of graduates leaving behind them a memento of their school days. The fountain, a beautiful piece of work, was presented by Eugene Trago and was accepted for the school by Felton Browning. The fountain is about five feet in height and ten feet across. Its cost was approximately \$150. The fountain is located in front of the east building and it is hoped that future graduating classes will present one to be placed in front of the west building.

Four boys, Basil Smith, Eugene Trago, Fred Forgy and Warren Mansur, gave a "kindergarten stunt." The boys dressed as kindergartners and sang a number of kindergarten songs. The exercises closed with the planting of the class tree, another annual custom. The tree was planted east of the east building, the shovel used being the same that was wielded by seniors of previous years.

Among the most pleasing features of the afternoon was the grand march by the graduates, which opened the program. The girls wore daisy chains and the boys carried canes decorated with ribbons of green and white, the class colors.

The class song, words and music by Miss Jewell Hickox, was sung by the seniors.

The class prophecy, written by Burr Shafter, made a pronounced "hit." Miss Juanita Wright performed a solo dance and this was followed by the reading of the class poem by Miss Jewell Hickox.

The exercises were well attended.

MONITOR TELLS WHERE WAR FUNDS ARE GOING

Christian Science Monitor: The following statement has been issued by the treasurer of The First Church of Christ, Scientist, Boston, Mass., with reference to war relief activities:

More than \$300,000 has been collected and distributed for relief work by the Christian Science churches since the European war began, according to the treasurer of The Mother Church, and the work is being actively continued. We have established our own committees in the war-stricken countries of Europe and are reaching those who are in need of aid directly through this means. The work is conducted without expense to the fund itself, the committees giving their entire time to it without any compensation.

The fund has been dispensed in Armenia, Serbia, Poland, Lithuania, Belgium, Russia, Italy, Switzerland, Holland, France, England, Germany, Canada and Australia. In the countries where we have not had a committee of our own the money has been sent through the State Department at Washington or through duly accredited and authorized relief committees, where a minimum charge is made for administration. In this way we have been enabled to reach many of the unfortunate women and children who have been silent sufferers from the general devastation that has been wrought through many of the populous districts in which they live. The aid given is not confined to Christian Scientists, but is extended to people of all nationalities and religions who are worthy of help, especially to those who have been stricken in their homes through hunger and other forms of deprivation.

Of all the forms of light man has developed, the nearest approach to sunlight is gas light. Clear, mellow and soft, it lacks the fierce glare so injurious to children's eyes. New stock of gas lamps and mantles now installed at the gas office.

GIVE NOW FOR BEST RESULTS

Western Chairman Points Out
Reasons For Big Red
Cross Fund

"You inevitably will contribute," says John B. Miller, of Los Angeles, chairman of the Western Committee of the National Red Cross War Council, delegated to raise \$15,000,000 of the \$100,000,000 asked of the nation for civil and military relief during the present conflict.

"The Red Cross," continues Miller, "is a part of the fighting forces of the Government and must be supported as such. There are five branches—the army and navy, the munitions department, food control, the Liberty bonds and the Red Cross. Each and every branch must be given unflinching support if America is to win this war."

"The Red Cross has actually turned the issues of every war since the Crimea. The success of the United States in this crisis depends on the support given the Red Cross."

"This support will be easy enough to get—when that support is too late. Let the toll of one battle mount up—as it often does—to 25,000 men or more. With the hospitals overcrowded and our own men dying for want of attention the response to the Red Cross call will roll in fast enough—but then it will be too late."

"It's the personal appeal after all, that counts. If your boy was wounded every dollar you have in the world would go willingly to put him in Red Cross hands. Ten million young men have registered under the first draft. That number some kinsman or some close friend will undoubtedly be summoned to the colors. Who can say when in the next year or two, these kinsmen or close friends will have dire need for Red Cross aid?"

"Give too late is the greatest danger confronting the nation now. To make the Red Cross effective and ready for any emergency it is imperative that the nation rally immediately to this appeal for the Red Cross fund. And it should be a sincere response—not apologetic—not perfunctory. Every loyal citizen should give and give 'until it hurts.' The time to provide for our fighting boys is now—not when it is too late. We owe every dollar that we can spare—and some that we cannot spare—to the lads who are going across the water to do our fighting for us. I know the West will not fail."

TODAY'S WAR RECIPE

Vegetable Pie

Two potatoes, three artichokes, three tomatoes, one dessertspoonful barley flour, two sticks celery, one pint of milk, one dessertspoonful margarine, seasoning to taste. Bring the milk to the boil and thicken it with flour. Cut up all the vegetables into small pieces, mix them, season, and put them into a well-greased pie-dish. Pour the thickened milk over them. Dot the fat over the top in small pieces. Bake an hour or more, keeping the dish closely covered, except for the last five or six minutes to give the top a chance to get brown. Test the vegetables to see if they are tender before serving, as sometimes they take longer than a half hour to cook, depending on their age and the heat of the oven. You can use any vegetables you like for this pie, and in any proportions.

Never cut the crust off a slice of bread.

number of her daughter, Marjorie June, friends, in honor of Miss Marjorie's ninth birthday anniversary. The rooms were prettily decorated with sweet peas and kewpies formed an attractive decoration for the dining room table, where a delicious collation was served. Miniature flower pots contained the ice cream and chocolate syrup on top of the ice cream with sweet peas in the center gave the effect of growing flowers.

Dainty pink baskets filled with nuts and candies marked places for Beth Fuller, Velda Morrison, Nettie Cope, Marian Nash, Dorothea Presley, Thelma McNeal, Edith Damewood, Mabel Hahn and Robert Bright. Mrs. F. R. Bright and son, Robert, are house guests of Mrs. Palmer.

Mrs. Mary Brandriff, of Vineland, N. J.; Mrs. C. E. Lush, who has been visiting there and other eastern points, and Richard Lush, who has been at the University of Michigan for two years, are expected to arrive here Sunday.

Mr. and Mrs. J. T. Bennisson, of Los Angeles, have been guests at the Rochester Hotel for several days, while Mr. Bennisson has attended to business affairs in Orange.

Mr. and Mrs. D. T. Moore returned from Oceanside, where they have spent the week-end as the house guest of Mrs. Moore's brother, A. G. Robinson.

Miss Fern Clark, of Huntington Park, is visiting at the homes of Mr. and Mrs. H. M. Elliott and Rev. and Mrs. J. E. Hall.

W. D. Cole and family and their house guest, Miss Henry, visited at the Roselin in Fullerton.

Miss Hattie Henry, who has been the guest of Miss Beatrice Cole, left for her home in Pazo.

Mr. and Mrs. T. J. Keiser and sons, Ducrest and Vernon, Mr. and Mrs. Oscar Downs, and Mr. and Mrs. Byron Stalker left for Quincy, Cal. Mr. and Mrs. Stalker and T. J. Keiser and family will make their future home in Quincy. Mr. and Mrs. Downs will return to Orange after a two-months' visit at Quincy.

Mr. and Mrs. E. W. Thomas and son left for Fairbury, Nebraska, where they intend to make their future home. They will motor to Fairbury and intend to be two months on the way.

Mr. and Mrs. Ream visited Mrs. J. W. Broomell, of Mayberry street. Mr. Ream, who is manager of Warner's ranch, was a former classmate of Mr. Broomell.

Mrs. Marguerite Burr, formerly of Orange, who has been visiting in Fallbrook, is now making her home with Mrs. A. E. Dufford at 183 Grand street.

Mrs. Lucy Wayne was brought home from the county hospital, where she underwent an operation. She is getting along very nicely.

J. F. Keller and F. H. Mellor left for San Luis Obispo, where they will spend a week attending to business affairs.

Henry Michel and family of South Grand street left for a two-months' visit at St. Louis, Mo.

J. A. Davis, of Los Angeles, formerly of Orange, was here attending to business affairs.

Mrs. E. H. Mills spent today at Garden Grove in the interest of the W. C. T. U. work.

Miss Beulah Peters, of Santa Ana, was in Orange visiting Miss Hulda Walther.

Miss Vivian Hahn and Orvil Day motored to Venice and spent the day there.

Mrs. F. H. Mellor is spending this week with her sister, Mrs. Spence, in Los Angeles.

Miss Lillian Eye and Miss Hazel Elliott spent a day at Long Beach.

LAGUNA BEACH NEWS BUDGET

LAGUNA BEACH, June 20.—The Misses Mary and Caroline Blake are entertaining a jolly group of friends in their cottage on the Laguna Heights. The young people motored down on Sunday and will remain until Wednesday. Weenie bakes, mussel hunts, swimming, and autoing all help to fill the days that are too soon for the happy crowd. Mrs. Blake is acting as chaperone and Master Edward Blake is the most popular young man in the party. Lucile and Louise Ford, Dorothy Carothers, and Florence Robertson complete the list of the guests.

Mr. and Mrs. Roy and their two children Addie and Priscilla, have been spending a few days in their cottage on Laguna Heights. Mr. Roy is a minister of Corona. They will return to their home Wednesday.

Otis Dolan, a Stanford student who has spent many summers in Laguna, was down for the week-end. He was the guest of his aunt, Mrs. Everest, who has been spending a few weeks in the Deyer cottage. Mr. Dolan has enlisted in the Naval Coast Reserves and is waiting to be called to duty.

Mr. and Mrs. G. G. Merrill of Riverside, are spending ten days in the Ferris cottage on the bluffs.

Miss Evelyn Nunn and her nephew, Carlyle Kirby, of Santa Ana, spent Monday in Laguna. They were guests of the Misses Nellie and Anna Hills. Miss Nunn and a group of friends will be down next Monday for a two weeks visit. Miss Nunn today made arrangements for a cottage.

Miss Sarah Gowdy has come to Laguna to spend the summer. She is staying with the Misses Hills and will study art under Miss Anna's direction. Miss Joella Gowdy and Mrs. Elizabeth Gowdy Baker, Miss Gowdy's sister, left Saturday for the east. Brook Blaisdell, eldest son of President Blaisdell of Pomona College, and Bruce Findlay of Claremont spent Saturday and Sunday in Laguna.

Miss Anne Robinson, her sister Irene, and their two little nieces of Trabuco, were among those driven to the beach by the inland heat.

Mr. and Mrs. Frank Chapman and their son Frank, spent Sunday in Los Angeles. They visited Mr. Chapman's sister, Mrs. Wilson.

Mrs. Jessup and her daughter Linda of Salt Lake City, arrived in Laguna Monday. They will spend the summer in their cottage on the Cliffs.

NO HEADACHE OR NEURALGIA PAIN

Get a 10 cent package of Dr. James' Headache Powders and don't suffer.

When your head aches you simply must have relief or you will go wild. It's needless to suffer when you can take a remedy like Dr. James' Headache Powders and relieve the pain and neuralgia at once. Send someone to the drug store now for a dime package of Dr. James' Headache Powders. Don't suffer! In a few moments you will feel fine—headache gone—no more neuralgia pain.

NEWS BUDGET FROM TALBERT

TALBERT, June 19.—The attendance at the revival services now in progress at the local church has been good every evening as it was also at the all-day meeting held last Sunday. The Monday night crowd was especially commended by the evangelist, as it was hardly to be expected so many would be present after the all-day session.

Quite a number took the opportunity to lunch together on Sunday at noon and as the weather would not permit of the plans to lunch on the grounds being carried out the league room was utilized as a dining room and dinner was served cafeteria style.

Next Sunday two services will be held, one in the forenoon and one in the evening, and this will close the meeting, unless later arrangements are made for its continuation.

Miss Marie Callens entertained as her guest last Saturday, Miss Muriel Newell of Irvine.

Mr. and Mrs. N. H. Plavan visited Sunday at Long Beach at the home of Mr. and Mrs. Jackson.

Mrs. Harold Bullock and her sister, Miss Gladys Thomas, were hostesses on Friday evening at a picnic given by them at the Orange County Park. The occasion was honoring Miss Pearl Richards, who will be a June bride, and a most delightful time was spent by the twenty-four lucky guests.

A rabbit "feed" proved the center of the evening's attractions and was greatly enjoyed with pickles, coffee and other good things comprising the delicious spread.

The rabbits were furnished by Dr. Chas. Price and Eugene Thomas, who proved lucky hunters. Mrs. Price and Mrs. Thomas proved their competency as AI cooks, using the fire-place at the house on which to prepare the feast. The cool atmosphere of the park was quite refreshing and added greatly to the pleasure of the party.

Rev. and Mrs. Bond of Long Beach, took supper at the home of Mr. and Mrs. Arnold Walker Friday evening of last week. Rev. Bond conducted the service at the church that evening.

Mildred Swift accompanied her brother, Claud Swift, and wife, of Huntington Beach, to Los Angeles Sunday for a few days visit, expecting to return home Wednesday. Mr. and Mrs. Swift will remain for two months at the home of Mrs. Swift's parents.

Chas. Adams and Miss Kate Thompson motored to Laguna Beach Sunday. Mr. Adams has overhauled his machine and is trying it out preparatory to a trip north, which he expects soon to take, going via the Ridge route.

Mrs. A. Martel and daughter, Miss Mary Mueller, were in Santa Ana Saturday.

Rev. and Mrs. Andrews and Rev. and Mrs. Foreman were entertained at the W. O. Ater home Saturday of last week.

Mr. and Mrs. Robert Harper had as guests Saturday evening Mrs. Harper's parents, Mr. and Mrs. Samuel Giesler.

Donald Wardlow, baby son of Mr. and Mrs. Robert Wardlow, was very ill Saturday night and Sunday. He is much improved now.

Samuel Giesler is the possessor of a new Chandler touring car.

Mrs. Frank Carrilli and children and Mrs. Lloyd Flythe, accompanied by the former's sister, Miss Nole of Santa Ana, enjoyed the day Friday at Huntington Beach. The party took their lunch and picnicked on the sand.

Rev. Foreman and wife were dinner guests of Mr. and Mrs. L. C. Rex last Thursday.

Mrs. Harvey Walker took her little nephew, Carl Planchon, who had spent several days with her, to his home in Santa Ana and was accompanied home by his brother Carl.

Mrs. W. O. Ater was a Santa Ana business visitor Saturday.

Mr. and Mrs. F. D. Plavan motored Saturday to Perris, returning that evening, accompanied by Miss Wilma Plavan, who spent the past week there.

A freak wind storm, that seems to not have been apparent at any other point so far as has been learned, struck Talbert about 7 o'clock last

A STRANGE CASE. Blood Turned to Water

Oakland, Cal.—"My sister-in-law was poisoned, her blood turned to water, the doctors gave her up, said she could never be cured. She finally took Dr. Pierce's Golden Medical Discovery which cured her. We consider it a miracle."

"I have had six operations which left me in a nervous state, with loss of sleep and appetite. I commenced using Dr. Pierce's Golden Medical Discovery and Pleasant Pellets. My general health commenced to improve after the first bottle. I took six bottles and was cured, gained 30 pounds. I wish to give Dr. Pierce the highest endorsement for his remedies."—Mrs. MAE TRUDOW, 801 26th St.

Many California people need this powerful vegetable remedy that puts the stomach, liver and bowels in fine condition; that clears the skin of pimples, rash, blemishes, and eczema; that dissolves boils and carbuncles; that makes nerves stronger and steadier, and gives to pale, weak, run-down people the fullest measure of health and happiness.

Dr. Pierce's Golden Medical Discovery, free from alcohol or narcotics, does just what is stated above, simply because it banishes from the blood all poison and impure matter. It dissolves the impure deposits and carries them out, as it does all impurities, through the Liver, Bowels, Kidneys and Skin.

If you have a bad cough, bronchitis, nasal or other catarrh, unsteady nerves or unsightly skin, get Doctor Pierce's Golden Medical Discovery to-day and start at once to replace your impure blood with the kind that puts energy and ambition into you and brings back youth and vigorous action.

All medicine dealers can supply you in either liquid or tablet form or send 50 cents for trial box of tablets to Dr. Pierce, Invalids' Hotel, Buffalo, N. Y. Write for free booklet on blood.

Saturday evening and blew a perfect gale until 9 o'clock, when it quieted. The change came so unexpectedly after the extreme heat of the afternoon that it was uncomfortably cold to be outside while it lasted.

On Monday Rev. and Mrs. Andrews, accompanied by Rev. and Mrs. Foreman, motored to Anaheim where they spent the day with Mr. and Mrs. Hunt.

Mr. and Mrs. Frank Cox and children of Los Angeles, were week-end visitors at the home of Mr. Cox's parents, Mr. and Mrs. J. A. Cox.

Mr. and Mrs. Leo Borchard made a business trip to Los Angeles last Friday, returning home Saturday.

Robert Giesler and family and their guests, Louise, Albert and Emil Giesler, were entertained Saturday at the home of Mr. and Mrs. Bernard Stoffel at Anaheim.

Rev. and Mrs. Alvah Andrews with Mrs. Foreman went Friday to Long Beach to be present at the graduation of the senior class of the Long Beach high school of which Rev. Andrews' sister, Miss Anna Andrews, was a member. They returned home Saturday, bringing with them also Rev. Foreman, who went to the beach Friday night with Rev. and Mrs. Bond after the close of the evening church service.

Harold Bullock went to Los Angeles Monday and was accompanied by his brother-in-law, Mr. Cannon of Bolsa. Mrs. Bullock passed the day with Mrs. Cannon.

Fred Hauptman, who for the past two years has been a student at the California Concordia College at Oakland, arrived Sunday to spend all or part of the vacation months at the home of his aunt, Mrs. Leo Borchard.

Guests at the F. D. Plavan home Sunday were Mr. and Mrs. Seacrest and J. R. Randall of Santa Ana.

Misses Maude, May and Ida Thompson, Ben Thompson, Otto Kutzner and Herman Kutzner spent the day Sunday at Huntington Beach.

Mrs. M. A. Nimmo left on Tuesday of last week with friends, there being two machine loads in the party, on a trip to San Diego. They took the inland route, making a stop at Elsinore. Side trips over the line to Mexico and to other points of interest were enjoyed and the outing was a most enjoyable one in spite of the heat, which proved unusually severe for that section as well as this.

On Thursday afternoon a children's meeting was held in that city. Mrs. Nimmo stated, and the temperature was so great that a number were prostrated and several deaths resulted. Mrs. Nimmo reached home Sunday evening via the coast route.

Eugene Thomas of Santa Ana was a guest Wednesday night of his sister and brother-in-law, Mr. and Mrs. Harold Bullock.

Louise, Albert and Emil Giesler, niece and nephews of Robert Giesler, arrived Friday of last week for a three-day visit at their uncle's home. Their home is at Oxnard.

A most unusual family reunion of an extremely happy nature was held at the home of Mrs. W. A. Jones last Sunday when she unexpectedly entertained twenty-two near relatives. The peculiar feature of the event was the fact that not one of the different parties present expected to find the other there. Mrs. Jones and her daughter, Mrs. Lou Lawton and grandmother, Eunice Lawton, of Huntington Beach, had planned to spend the day quietly together and were preparing dinner for themselves when the avalanche of guests began to pour in upon them.

Mrs. Jones, however, proved that all were most welcome and rose nobly to the occasion, preparing a delicious chicken dinner with the aid of the lady guests.

Those included in the surprise party were Messrs. Oliver Jones, Perry Jones, Mr. and Mrs. Glen Jones and son Ralph of Eagle Rock, Mr. and Mrs. Max Jones, Mr. and Mrs. Will Jones and little daughter, all the men being sons of the hostess; Mrs. Lou Lawton and little daughter Eunice and Mrs. Gladys Sargent of Huntington Beach, both of whom are daughters; her brother, Oliver Adkinson, of Trabuco, and niece and husband, Mr. and Mrs. Charles Blise, who are of Arizona, and her brother-in-law, Emerson Jones, his wife and two children of Long Beach.

Mr. and Mrs. Ray Wardlow and children enjoyed a delightful day's outing at Laguna Beach last Sunday.

Mr. and Mrs. Harold Bullock attended church at Long Beach Sunday, accompanying Mr. and Mrs. John Bullock, daughter Lola and son Charles and Mr. and Mrs. Cannon of Bolsa.

S. E. Talbert is spending several days at his Paulerino ranch this week, superintending the harvesting of the grain crops.

Linnie Cudd, the little 8-year-old orphan girl who has been with Mrs. Henry Dunehoo since her mother's death, where she was eighteen months ago, has returned to her relatives in Missouri, having left on Wednesday of the past week with Floyd Phillips and family of Orange, who were going direct to the home town of her grand-parents with whom she will live. Her sister also makes her home with them and her brother until his recent enlistment into the army!

The little girl was expected to reach her destination on Sunday and Mrs. Dunehoo is anxiously awaiting the word of the safe arrival at her destination.

All the ranchers who were not irritated before the warm spell are now hard at it and everyone with an engine has it running.

Last Sunday the following families motored to Seal Beach, taking lunch with them and spending the day and evening together: Mr. and Mrs. Robt. Giesler and family, Mr. and Mrs. Samuel Giesler and family, Mr. and Mrs. S. Callens and family, Mr. and Mrs. Robt. Harper and Mr. and Mrs. Bernard Stoffel of Anaheim.

Mrs. S. E. Talbert enjoyed a visit last Wednesday from her uncle, John Shrode and wife, Nettie and Orval Shrode, Marvin Shrode and son. The party had just arrived from Arizona and were accompanied by Mr. and Mrs. Bud Overton and family. The trip was made in machines and they expect to remain about two months.

Miss Maybelle Patterson of Bolsa was a guest Sunday at the J. O. Harper home. The afternoon was spent at Huntington Beach.

The drive from Talbert to the beach was pleasantly accomplished in the Walker's light wagon filled comfortably with hay and with Mrs. Arnold Walker as the competent driver. An abundance of luncheon was taken along and later enjoyed on the beach.

The 100% Silo

is the silo that's built of California Redwood. Think up all the good points a silo material should have—you'll find every one of them in

California Redwood

Resists rot and fire

Permanent—contains a natural preservative that prevents decay. Not affected by sun, rain or violent changes of weather.

Will not shrink, warp or swell, when properly seasoned.

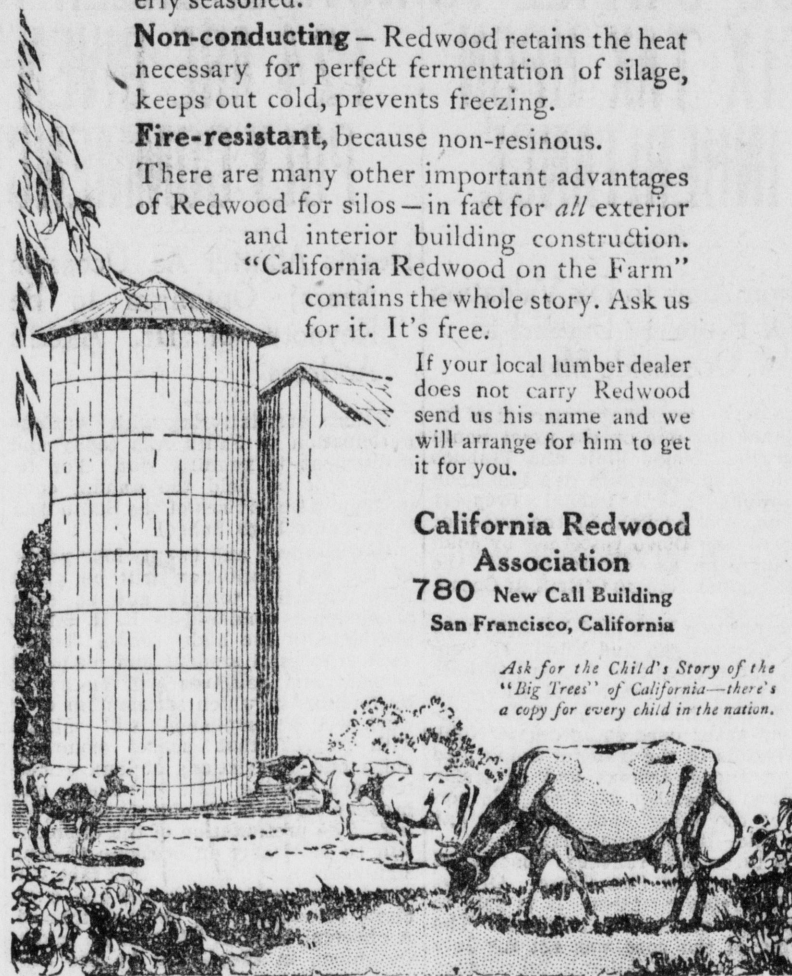

Non-conducting—Redwood retains the heat necessary for perfect fermentation of silage, keeps out cold, prevents freezing.

Fire-resistant, because non-resinous.

There are many other important advantages of Redwood for silos—in fact for all exterior and interior building construction. "California Redwood on the Farm" contains the whole story. Ask us for it. It's free.

Jiffy-Jell

The Supreme Dessert

Lime and Mint

For Salads—Relishes—Garnishes

The latest Jiffy-Jell flavor is made from crushed Mint leaves. And, like all Jiffy-Jell flavors, it comes in a separate vial. As a garnish for lamb, or for any cold meats, Mint Jiffy-Jell is delightful.

Mint Sprays

Jiffy Mint Sauce

For Lamb and Other Roasts

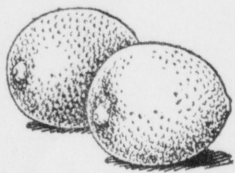

Dissolve one package of Mint Jiffy-Jell in one cup of boiling water. Add the Mint flavor from the vial, then a cup of strained liquid from the pan in which roast is cooked. Serve hot.

Another relish flavor is made from lime fruit. It is tart and zestful, and the color is green. It is for salads, for garnish, for side dishes, for aspic jells, etc.

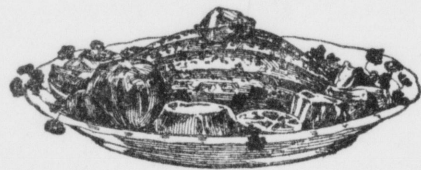

Mix your salad vegetables in it. Or your cold meat cuts. Let the jell solidify around them.

Summer Dishes

Think how many summer uses the Lime and Mint will serve. Also all our fruit-juice flavors. Jiffy-Jell dishes are always served cold. They are light, quickly-made and easy to digest. For desserts and for suppers, and for children's parties, think how many delights they offer. Keep a variety of flavors on hand.

Made From Lime Fruit

Eight Flavors—Two Packages for 25 cents

TUSTIN

COMMERCE BODY TO TALK OVER P. E. ROUTE

TUSTIN, June 20.—The citizens of Tustin are being urged to remember the date of the regular meeting of the Chamber of Commerce, June 26, the fourth Tuesday of the month.

The election of officers was postponed at the last meeting and will be held next time. This will be the last meeting, unless called, before the summer vacation of two months.

There will also probably be a discussion of the route of the proposed electric railroad to Tustin. This is a subject in which every one will be interested. Remember the date, Tuesday evening, June 26, at 8 o'clock.

The Weather

It is impossible to tell as yet the exact amount of damage done to the walnuts by the hot spell. It is variously estimated at ten to twenty-five per cent of the crop spoiled by burning. On the other hand it is said that many pests were killed by the heat which would otherwise have injured the crop. The trees are unusually full of nuts, the clusters being larger than for some years and there has been little or no dropping, so that a loss of twenty-five per cent will not be felt. The damage was done on Thursday, the temperature registering 102 in the shade that day.

On Friday and Saturday the temperature was 88 to 90 and on Sunday about 92 in the same place.

In many places the lemons were badly burned on Thursday. Ripe lemons ready to pick were burned on one side and it is feared that the small growth may be injured. Some persons report that their blackberries and raspberries are cooked on the vines.

The warm weather is ripening the apricots and peaches and making things grow in the gardens.

Quilting Bee

In spite of the warm weather, a happy day was enjoyed at the home of Mrs. J. A. Propst on Mitchell avenue last Thursday.

While in the East some months ago, Mrs. Propst's friends there started a friendship quilt for her by piecing each a square with the name embroidered on it. Coming home before it was finished her friends here have completed the number of squares and Thursday was the appointed day to "quilt it out."

Those who came early in the day were Mrs. T. H. Smith, Mrs. H. E. Matthews, Mrs. Wm. Mitchell and daughter, Miss Florence Mitchell; Mrs. Wm. Jones, Mrs. Mary Stanley, Mrs. T. D. Knight of Santa Ana and Mrs. W. H. McMurphy of Orange.

A delicious chicken dinner was served at the noon hour.

A number of other friends gathered in the afternoon and out on the lawn under the shade of the trees the warm weather was scarcely felt, as just at the warmest part of the day delicious ice cream and cake were served. There was also time for music. Two beautiful solos were sung by Mrs. Mitchell and piano music by Miss Florence Mitchell and Mrs. Propst was much enjoyed.

Choir Entertainment

Arrangements have been made by the Tustin Presbyterian church choir to hold their musical entertainment on June 27 in the grammar school auditorium. They will be assisted by the best local talent. Faithful work is being done to perfect a fine program and the Tustin people expect to be surprisingly entertained. A silver offering will be taken.

Missionary Meeting

The regular monthly meeting of the Tustin Presbyterian Missionary Society will be held Thursday afternoon at the church.

The subject for study is Alaska. The meeting will be led by Mrs. S. E. Tingley.

Personal

Mrs. Chas. Roemer and two little daughters, Mrs. Horace Lee of Santa Ana and Mrs. George Ragsdale, and little daughter of Hemet were guests of Mrs. Ernest Crawford on Friday. The visitors were entertained at a delicious chicken dinner.

GARDEN GROVE

DETAILS OF RED CROSS MEETING ARE TOLD

GARDEN GROVE, June 20.—Pursuant to a call of the local chairman of the Red Cross, Mrs. C. C. Violett, a large crowd, including representatives from Seal Beach, Westminster, Stanton and Los Alamitos, comprising the Garden Grove district auxiliary to the Santa Ana chapter, met in Y. M. C. A. hall at 10 a. m., Monday, to plan the campaign to raise the apportionment of \$1500. All business houses closed from 10 to 11 o'clock. G. R. Reyburn was by the voice of the house elected chairman pro tem, and Vernon King secretary pro tem. A committee of five was chosen from Garden Grove, G. R. Reyburn, S. R. Fitz, O. W. Reinis, W. W. Dungan and V. King comprise the committee. A meeting was called for Westminster Tuesday evening and for Seal Beach Wednesday evening, all of the committee to be present at each meeting, each committee to canvass its own territory. Friday afternoon will be rally day with all business houses closed from 2 to 5. At the Monday close of the meeting \$500 had been subscribed. For the Friday afternoon rally, which will be on the Methodist grounds, the committee is arranging for out-of-town speakers including a Japanese from Los Angeles.

Mr. and Mrs. H. O. Eggen, of Santa Ana, were guests at six o'clock dinner at the W. H. Newcomer home, Monday.

Mrs. V. Donelson went to Los Angeles to visit her niece, Mrs. J. Atkins and to attend the graduating exercises of her grandniece, Miss Naoma Atkins.

Vernon King and father were Seal Beach visitors Sunday afternoon.

Mrs. M. V. Knott, who is stopping at the home of her sister, Mrs. J. D. Price, is much improved from her recent illness.

Waldo Tournat and Archie Stuck were Long Beach visitors Sunday.

E. Beardsley and Ruel Reed went to Newport Beach for a day's fishing Monday.

Mr. and Mrs. Nelson Cook and Mr. and Mrs. Henry Bosey, spent Sunday afternoon at Long Beach.

Norman Hall, of Whittier, spent the week end with Francis Young on Saturday. They visited Anaheim Landing.

Dr. Frances Marshall and son, Harley, spent Sunday afternoon at Long Beach.

Roger Newcomer, of Bard, Ariz., visited his parents, Mr. and Mrs. W. H. Newcomer, from Thursday until Saturday. He was accompanied home by Mrs. P. McCormick, who will make an extended visit at the Newcomer home. She is the mother of Mrs. Newcomer.

Mr. and Mrs. J. E. Fry and daughter, Frances, Mr. and Mrs. Barnett and Mrs. Barnett's parents, Mr. and Mrs. Fry, witnessed the fireworks at Seal Beach Sunday evening.

Mr. and Mrs. Fred Kurtz and little Nannie Isabel and Mr. and Mrs. Fred Heinrichson motored to Seal Beach Sunday evening to see the fireworks.

Mr. and Mrs. F. E. Harrison and children were at their Laguna cottage from Saturday until Monday.

C. C. Maxwell, deputy sheriff, and wife, are spending a two-weeks' vacation at the home of Mrs. Maxwell's parents, Mr. and Mrs. R. L. Coates. Coates is giving him instructions in irrigating. On Wednesday they all went to Elsinore for ten days that Mrs. Coates may have the benefit of the hot baths for rheumatism.

Miss Olive Newcomer leaves Thursday for Berkeley to attend summer school. She will be accompanied as far as San Pedro by her mother, Mrs. W. H. Newcomer.

The local chairman of the Red Cross has spent much of her time at Seal Beach and Westminster in the interests of the work.

John Jentges and Mr. Webber of Westminster returned Saturday from a tour of the San Joaquin valley, hoping to locate hay and grain for the Garden Grove feed store, of which Jentges is proprietor. He states that there is plenty of alfalfa hay but a scarcity of grain throughout the entire valley. They were trout fishing about four miles above Matilija Springs and only escaped the big forest fire by about three hours. They visited at the home of Mr. and Mrs. Stark at Patterson, who formerly owned the Stark bakery.

GIVE EXAMINATIONS FOR STATE POSITIONS

The California State Civil Service Commission announces the following examinations to be held in the near future. Requests for fuller information should be made at an early date.

Director, Bureau of Communicable Diseases, State Board of Health, \$300 a month.

District Health Officers, State Board of Health, \$250 a month, with traveling expenses.

Epidemiologist, State Board of Health, \$175 a month.

Bacteriologist, State Board of Health, \$150 a month.

Engineering Assistant, Bureau of Sanitary Engineering, State Board of Health, \$100 a month.

Junior and Senior Auditor, State Board of Control, \$100 to \$200 a month.

Special Agent, Water Commission, \$150 to \$200 a month.

Agent, Board of Charities and Corrections, \$60 to \$150 a month.

Boiler Inspector, Industrial Accident Commission, \$135 a month.

Inspector of Fire Equipment, Board of State Harbor Commissioners, San Francisco, \$100 a month.

Girls Class "A"
Girls Class "B"

MRS. VANDERBILT URGES NURSES TO STAY HOME

NEW YORK, June 20.—Mrs. William K. Vanderbilt, Sr., head of the American Ambulance Hospital in Paris, strongly urges public health nurses in the United States to apply to their profession the principles of selective conscription during the war. She advises them not to throw up their positions here for the sake of undertaking work abroad.

"One of the greatest needs of America," she said, "will be for public health nursing. The organizations which are engaged in this work, instead of being weakened by loss of

membership should be strengthened to meet the increased demands which will be made upon them. Trained and experienced nurses who are taking care of women, children and tubercular patients in their homes and in dispensaries can do no greater work for the country and for humanity than by remaining on their jobs."

"They must not consider themselves slackers or feel that they are lacking in patriotism if they stick to their daily round of duties. On the contrary it would be absolutely wrong for them to give up their work, and jump at the first chance which offers for war service abroad."

"Somebody has to take care of the women and children while the men are at the front. It is irrational for those who take care of them, and who know and understand their needs, to fly off to some other place and work and leave them at the mercy of inexperienced workers. We all know that war breaks down home conditions. Sickness and poverty follow in its wake and there are a thousand and one ills, which have to be met and overcome. Who can do this better than the public health nurse who belongs to a well-organized group of workers which is able to combat just such conditions?"

Mrs. Vanderbilt cited her own experience in Paris at the beginning of the war when her first impulse was to close the Vanderbilt Dispensary to women and children and devote it to the care of wounded soldiers.

"On second thought," she said, "I realized that it would be a mistake just because everybody was doing the same thing. I never regretted following my more mature judgment. In a short time our attendance increased from 115 to 250. I believe we saved any number of the future citizens of France by simply thinking twice and sticking to our original work."

To Santa Ana Bicyclists

I have purchased the Geo. C. Post bicycle business and wish to state that the shop will be conducted in the same manner as heretofore.

Sim Harris who has been in the shop for the past six years, will continue in charge of the repair shop. All repairing strictly guaranteed.

Bargains in Used Bicycles

We have a large stock of good used wheels which have been rebuilt and put in good condition. We want your repair business and will treat you right.

Used Wheels, \$8.00 up.
New Wheels, \$35.00 up.

FREE

Bicycle pump with every wheel purchased of us.

CRACKERS BOOM AS FUSES ARE LIT BY SUN

FULLERTON, June 20.—Old Sol staged a Fourth of July celebration of his own the other morning at a store here. Damage estimated at \$75 was done.

When the storekeeper went home the night before, he left the awning up. On the following morning when the sun wheeled upward, its rays shone fairly into the show window.

The heavy plate glass intensified the heat and trimmings in the window burst into flame.

In the window in addition reposed a lot of fireworks and the real display started when the blaze touched them off. A couple of seconds later the window was full of flying sparks and dense smoke. Muffled explosions attracted the attention of passers by, who turned in a fire alarm.

Firemen to get at the blaze had to shiver a heavy plate window. The damage was confined to the window.

Cozy, airy bungalows; single and housekeeping rooms. Bungalow Apartments, over Postoffice.

Standard Paint and Paper Co., 209 West Fourth.—Adv.

WOMAN NOW IN PERFECT HEALTH

What Came From Reading a Pinkham Advertisement.

Paterson, N. J.—"I thank you for the Lydia E. Pinkham remedies as they have made me well and healthy. Some time ago I felt so run down, had pains in my back and side, was very irregular, tired, nervous, had such bad dreams, did not feel like eating and had short breath. I read your advertisement in the newspapers and decided to try a bottle of Lydia E. Pinkham's Vegetable Compound. It worked from the first bottle, so I took a second and a third, also a bottle of Lydia E. Pinkham's Blood Purifier, and now I am just as well as any other woman. I advise every woman, single or married, who is troubled with any of the above said ailments, to try your wonderful Vegetable Compound and Blood Purifier and I am sure they will help her to get rid of her troubles as they did me."—Mrs. ELSIE J. VAN DER SANDE, 36 No. York St., Paterson, N. J.

Write the Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass, if you need special advice.

FULLERTON CITY JAIL EFFECTIVE AS SOBERER

FULLERTON, June 20.—The city jail has a sobering influence on a hot day. Marshal French discovered it possessed that property the other day. Early in the morning the officer was routed out by a telephone call and informed a man, either prostrated by the heat or too much liquor, was stretched out on the sidewalk on South Spadra avenue.

When the officer finally aroused the prostrate figure, the man admitted having imbibed too freely and French supported him to the city jail.

The jail is a sheet iron frame building that on a hot day shames a Turkish bath and later in the morning when French returned he found the occupant stretched out, gasping but perfectly sober.

The officer released him.

The canning and preserving months are here. Do your own preserving with the most economical and satisfactory of all fuels—natural gas.
